After watching this video remind yourself of the items listed in Agenda 21 to be deemed UNSUSTAINABLE for GLOBAL GOVERNENCE by the UN and now our own government: More than 500 million people on earth, Firearms, Religion especially Christianity or any strong belief in God, Any strong belief in a Constitution or Republic, Livestock, Property (personal or real estate), Commercial Agriculture, Individual choice of habitat, Freedom to travel, The family, reproduction (except by government arrangement), Motor vehicles, choice of employment or career, parenting, choice of food, education (to be replaced by work force training, already being done), Life beyond productivity (senior citizens, handicapped or mentally impaired), Any industrial activity, single family homes, Paved roads, Railroads, Floor and wall tiles, Harvesting timber, Logging, Dams and reservoirs, Power Lines, Pastures or grazing land, and more….

Starting to see the picture? If not I hope you like the movie because it is YOUR FUTURE! Don’t believe it? Google just exactly what the following are and what the purpose is… I.C.L.E., International Property Maintenance Code, Regional Planning Commissions, so what are the tools already in place? Depopulation ie; vaccines, GMO foods, chem-trails containing heavy levels of aluminum, barium and lead, Monsanto seeds, food and drug bans and more, Disarmament ie; draconian gun control laws as a precursor to confiscation, regulations, licensing, permits. How to sell it to us?

Mainstream Media, false flag events (911, Giffords, Aurora, Sandy Hook, Fast and Furious, Benghazi etc. always with some truth), psychotropic drugs (Zoloft, Ritalin, Prozac etc.), mass hypnotism (exactly the same way Hitler used it but MUCH, MUCH BIGGER.. Obama, false labels of enemies (Al Qida, Muslims, Islam mass shooters etc.), Contrived Financial Desperation; mass mortgage fraud, corporate bail outs, bank take overs, Obamacare, wide open borders, FEMA Re-education centers (concentration camps replete with ovens and crematoriums don’t argue this with me I’ve seen some), 1.626 MILLION Smart meters, Drones, Chips, Real ID and what will be the final nail? Collapse of the dollar to deliberately bring forth mass chaos and a second civil war, thus justification for military and mercenary assault on the American People. The difference between Stalin, Hitler, Mao and Obama? The first three didn’t have all the tools in place first!

REMEMBER AND DO NOT FALL FOR ANY MASS TRAGEDY, THERE ARE NO AND NEVER HAVE BEEN ANY “REAL” TERRORISTS OUTSIDE OUR OWN GOVERNMENT. NOTHING YOU SEE ON MAINSTREAM NEWS IS REAL AND NO SO CALLED TERRORIST ATTACKS NO MATTER HOW BIG ARE NOT PLANNED AND DIRECTED TO FURTHER THE ABSOLUTE IMPERATIVE ORDER TO DISARM AMERICA… NEVER SELL BACK OR RELINQUISH YOUR GUNS, STAND WITH YOUR NEIGHBORS, WATCH OUT FOR YOUR NEIGHBORS, and DEFEND YOUR NEIGHBORS… WE ARE ALL WE HAVE. THE NEXT STAGED EVENT IS LIKELY TO BE VERY BIG WITH MASSIVE NUMBERS KILLED, EITHER BIOLOGICAL OR MUNITIONS… NUCLEAR IS A LAST RESORT BUT THEY WILL USE WHATEVER THEY HAVE TO IN ORDER TO PREVENT US FROM RESISTANCE.

Freddie Mac’s Diabolical Solution to Oregon’s Recording Requirement: Locate and Destroy the Assignment

Three contractors are bidding to fix a broken fence at the White House. One is from Chicago, another is from Tennessee, and the third is from Montana.
All three go with a White House official to examine the fence.

The Montana contractor takes out a tape measure and does some measuring, then works some figures with a pencil.

"Well," he says, "I figure the job will run about $900. That's $400 for materials, $400 for my crew and $100 profit for me."

The Tennessee contractor also does some measuring and figuring, then says, "I can do this job for $700. That's $300 for materials, $300 for my crew and $100 profit for me."

The Chicago contractor doesn't measure or figure, but leans over to the White House official and whispers, "$2,700."

The official, incredulous, says, "You didn't even measure like the other guys. How did you come up with such a high figure?"

The Chicago contractor whispers back, "$1000 for me, $1000 for you, and we hire the guy from Tennessee to fix the fence."

"Done!" replies the government official.

And that, my friends, is how the Government Stimulus plan worked.
