Executive Summary:

Doc Marquis was raised as a child in the international, occult group known as the Illuminati. For 20 years he was trained as an Illuminist and attained the rank of Master Witch (a 3rd level Illuminati Witch). As a result of GOD's sovereignty and mercy, Doc became surrounded by Christians who presented him with the Gospel. Confronted by GOD's Word and love, he opened his heart and mind. On April 15, 1979 Doc became a Born-Again Christian, forever severing his ties with the Illuminati.
